

PRINTING INSTRUCTIONS

please read before printing

Within this package you have two options;

1. Copy Shop Print

- _this will contain one (1) A0 black and white pdf
 - _take this pdf to your copy shop / office works and get them printed as per below;
 - _black & white
 - _plotter printer
 - _100% scale
- (this will be your cheapest option)

2. Trace your pattern pieces.

As using a print-at-home printing file for this bag would actually take more A4 / Letter paper than necessary (bigger than the bag itself), we have written down the pattern piece dimensions so you can draw this straight onto your fabric with tailors chalk, or draw it onto scrap paper / tracing paper / newspaper before cutting your fabric!
