

# Material Safety Data Sheet

DOCTOR'S WOODSHOP. LLC  
25 JANUARY, 2017

VERSION 1

## 1. IDENTIFICATION

### Product identifier

PRODUCT NAME Doctor's Woodshop Walnut Finishing Oil

### Other Means Of Product Identification

UPC code 860191000155  
Synonyms Walnut oil

### Recommended use of the chemical and restrictions on use

Recommended use wood finish  
Uses advised against none

### Details of the supplier of the MSDS

Manufacturers address:  
3 Offenbach Pl., Lake Oswego, OR 97035

### Telephone number

503.522.0531

## 2. HAZARD IDENTIFICATION

### Classification

OSHA Regulatory Status  
this chemical is not considered hazardous by the 2012 OSHA Hazard  
Communication Standard (29 CFR 1910.1200)

### Label elements

Not applicable

### **Emergency Overview**

Appearance: Pale yellow clear liquid  
Physical state: liquid  
Odor: faint Walnut odor

### **Hazards not otherwise classified (HNOC)**

Doctor's Woodshop, LLC Walnut Finishing Oil MSDS

not applicable

### **Other Information**

not applicable

## **3. COMPOSITION/INFORMATION ON INGREDIENTS**

### **Substance**

### **Synonyms**

Walnut Oil

| Chemical name                       | CAS No.   | Weigh-% | Trade secret *  |
|-------------------------------------|-----------|---------|---|
| <i>Jugulans regia</i><br>Walnut Oil | 8042-09-7 | 100     | *The exact percentage concentration has been withheld as a trade secret |

## **4. FIRST-AID MEASURES**

### **Description of first aid measures**

|              |   |
|--------------|---|
| eye contact  | Immediately flush with plenty of water. After initial flushing remove any contact lenses and continue flushing at least 15 minutes seek immediate medical attention |
| skin contact | nonirritating to skin   |
| inhalation   | not a direct hazard   |
| ingestion    | not a direct hazard   |

### **Most important symptoms in effect, both acute and delayed**

SYMPTOMS

No information available

**Indication of any immediate medical attention/special treatment needed**

Note to physicians

Treat symptomatically

## **5. Firefighting measures**

### **Suitable Extinguishing Media**

Dry chemical, CO<sub>2</sub>. or water spray

### **Specific hazards arising from the chemical**

No information available

### **Implosion data**

Sensitivity to Mechanical Impact

None

Sensitivity to Static Discharge

None

**Protective Equipment and Precautions For Firefighters**

as in any fire, wear self-contained breathing apparatus pressure demand, MSH/NIOSH (approved or equivalent) and full protective gear.

**6. ACCIDENTAL RELEASE MEASURES**

**Personal precautions, protective equipment and emergency procedures**

Personal precautions ensure adequate ventilation especially in confined areas

**Environmental precautions**

Environmental precautions see section 11 for additional ecological information

**Methods and material for containment and cleaning up**

|                        |   |
|------------------------|---|
| Methods of containment | Steps to be taken in case material is released or spilled: dike and contain the spill with inert material (i. e., sand, earth, sawdust) and transfer liquid and solid diking material to separate containers for recovery or disposal. Wash floor areas with hot water solution. Remove contaminated clothing and wash before reuse. Wash affected Skin areas with soap and water. Keep spills out of all sewers and bodies of water. |
| Methods for cleaning   | pickup and transfer To properly labeled containers.   |

**7. Handling and storage**

**Precautions for safe handling**

|                          |  |
|--------------------------|--|
| Advice for safe handling | Handled in accordance with good industrial hygiene and safety practice |
|--------------------------|--|

**Conditions for safe storage including any incompatibilities**

Storage conditions  
 Incompatible materials

Store at temperatures not exceeding 77°F  
 None known

**8. EXPOSURE CONTROL/PERSONAL PROTECTION**

**Control parameters**

|                     |   |
|---------------------|---|
| Exposure guidelines | This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies. |
|---------------------|---|

**Appropriate engineering controls**

|                      |  |
|----------------------|--|
| Engineering controls | Showers, eyewash stations, ventilation systems |
|----------------------|--|

**Individual protective measures, such as personal protective equipment**

|                                |   |
|--------------------------------|---|
| Eye/face protection            | No special technical protective measures are necessary                |
| Skin and body protection       | No special technical protective measures are necessary                |
| Respiratory protection         | No special technical protective measures are necessary                |
| General hygiene considerations | Handle in accordance with good industrial hygiene and safety practice |

**9. Physical and chemical properties**

**Information on basic physical and chemical properties**

Physical state: liquid    Odor: slight walnut odor  
 Color/Appearance: pale yellow liquid                                  Odor threshold: No information

|                               |                          |
|-------------------------------|--------------------------|
| pH                            | No information available |
| melting point/Freezing point  | No information available |
| Boiling point                 | > 300°C                  |
| Flashpoint                    | > 250°C                  |
| Flammability( air solid)      | No information available |
| Upper flammability limit      | No information available |
| Lower flammability limit      |                          |
| Vapor density                 | No information available |
| relative density              | No information available |
| water solubility              | No information available |
| solubility and other solvents | No information available |
| autoignition temperature      | No information available |
| decomposition temperature     | No information available |
| kinematic viscosity           | No information available |
| explosive properties          | No information available |
| oxidizing properties          | No information available |

### **Other information**

|                  |                          |
|------------------|--------------------------|
| Softening point  | No information available |
| Molecular weight | No information available |
| VOC content %    | No information available |
| Density          | No information available |
| Bulk density     | No information available |
| Volatility       | No information available |

## **10. Disposal considerations**

### Waste treatment methods

|                   |   |
|-------------------|---|
| Disposal of waste | Disposal should be in accordance with applicable regional national and local laws and regulations |
|-------------------|---|

## **11. ECOLOGICAL INFORMATION**

### **Ecotoxicity**

### **Persistence degradability**

This material is readily biodegradable and unlikely to accumulate in the aquatic environment. Accidental spillage may lead to penetration into the soil and groundwater. Discharge of large amounts of the aquatic environment may kill fish and other aquatic organisms by oxygen depletion.

## **12 REGULATORY INFORMATION**

**United States Toxic Substances Control Act Section 8(b) Inventor  
COMPLIES**

**Canadian Domestic Substances List/Non-Domestic Substances List  
COMPLIES**

**European Inventory of Existing Chemical Substances/European List of  
Notified Chemical Substances COMPLIES**

**Japan Existing and New Chemical Substances COMPLIES**

**China Inventory of Existing Chemical Substances COMPLIES**

**Australian Inventory of Chemical Substances COMPLIES**

### **US Federal Regulations**

**SARA 313 Section 313 of Title III of the Superfund Amendments and  
Reauthorization Act of 1986 (SARA). This product does not contain any  
chemicals which are subject to the reporting requirements of the Act  
and Title 40 of the Code of Federal Regulations, Part 372.**

**SARA 311/312 Hazard Categories**

**Acute Health Hazard No**

**Chronic Health Hazard No**

**Fire Hazard NO**

**Sudden Release of Pressure hazard NO**

**Reactive Hazard NO**

### **CWA (Clean Water Act)**

**This product does not contain any substances regulated as pollutants  
pursuant to the CWA (40 CFR 122.21 and 40 CFR 122.42).**

**US State Regulations**

**California Proposition 65**

**This product does not contain any Proposition 65 chemicals.**
