

## Double Action Hinges

Product #27G31, 27G33, 27G34

27G31

27G33, 27G34

Use these Double-Action Hinges for Shoji screens, shutters, or bar doors. The precision-made steel folding screen hinges open in two directions, in and out.

The 1<sup>3</sup>/<sub>4</sub>" long polished brass plated hinges are for 3/4" panels.

The 2" long polished brass plated hinges are for 1<sup>1</sup>/<sub>8</sub>" panels.

1. Make recess cuts of 1/16" for a gap opening of 1/16" between doors
2. Make recess cuts of 3/32" for no gap in the opening between doors
