HR-103

(25.98Wx23.23Dx43.7H)

Specification: If your movements could be absorbed naturally into the chair while seated...

Without any separate electronic settings, the Hera series offers the highest level of comfort, through a simple rather than a specialized mechanism. The series supports delicate human movement because it is designed in an all-in-one body style and optimizes the fit through a sophisticated European style design

Seat and Back: Leather/ Flexible Polyurethane Foam

Base: Cold, hot-rolled steel sheet, Aluminum die casting Rigid Plastic Injection Molding

Features: Backrest, seat shell molded plywood
