Summer EDUtainer Job Description

Job Title: Summer EDUtainer

Hours per Week: Up to 40

FLSA: Non-Exempt

Salary Range: \$12.50 - \$15.00

Schedule: Wednesday-Sunday

Effective Date: 3/1/2024

Seasonal Position: May 1st to August 30th

OCCUPATIONAL SUMMARY

This full-time or part-time summer employee is responsible for facilitating activities and collaborative projects for OH WOW!® as they pertain to summer engagement. The EDUtainer will be responsible for facilitating exploration and inquiry, assisting guests of diverse ages, backgrounds, and learning styles to better understand, through practice, the scientific process of investigation and the plan, do, check, act (PDCA) continuous improvement process. The EDUtainer is responsible for cooperatively developing and implementing educational programming within OH WOW!®'s ecosystem. The EDUtainer is thoroughly committed to OH WOW!'s mission. In tandem with other staff, the EDUtainer represents OH WOW!® in a courteous and efficient manner, always serves as an enthusiastic voice on behalf of OH WOW!® and ensures that OH WOW!® is a safe and creative learning environment fostering independent thinking, inquiry, and enrichment to all its visitors and program participants. In tandem with other staff, the EDUtainer will represent OH WOW!® courteously and efficiently and always serve as an enthusiastic voice on behalf of OH WOW!®.

RESPONSIBILITIES

- 1. Actively facilitating hands-on STEM activities for guests.
- 2. Provides input as a member of the OH WOW!® team during the planning, implementation, and marketing of summer outreaches and events.
- 3. Works with the OH WOW!® team to promote and coordinate EDUtaining demonstrations at various planned events and outreaches.
- 4. Supports the work of volunteers as needed; and
- 5. Other duties as assigned

The EDUtainer will report to the Interim Program Coordinators of Outreach and have an active role in facilitating visitor exploration and inquiry at various S.T.E.M. camps, outreaches and tabling events. The EDUtainer will have the ability to reflect on successes and assist in the preparation of planned summer events. The EDUtainer will have a strong understanding and foundation for the development of hands-on STEM programming and its best practices.
