PROCESS

I've had enough teams asking about fundraisers that I made my own. Here's how it works.

Using the sell sheet (next page), your athletes fill orders for either the Runwayz or Iconz fashion glasses.

You pay \$18/piece for these sunglasses and I'll ship the number of style/colors you sell to you for distribution.

You can sell them for any amount, but they sell for \$40 and \$50 on my website, so that's what I'd suggest.

If your team sells 100 pairs, I'll give them all a free pair of MPTHREE Bombz.
