organizations
are part of the Fairtrade
system, representing
40,033 farmers & workers

• Figures shown indicate growth over last reporting year. According to Fairtrade International's latest Monitoring, Evaluation and Learning (MEL) data.

“ ”

I am very thankful to Chetna Organic for the training I got on organic farming. Apart from my duty in my field of work, I have also become a support for my family. I am performing well as a leader of the women's community, which has created a strong bond with other women.

- Kamalini Nayak
Cotton producer, India, Fairtrade Partner
