of tea sold on
Fairtrade terms

• Figures shown indicate growth over last reporting year. According to Fairtrade International's latest Monitoring, Evaluation and Learning (MEL) data.

“ ”

Fairtrade has helped me in so many ways. Before Fairtrade, the amount of money we were getting for our tea was much lower. Through Fairtrade, we've been able to invest in school blocks, a clinic, clean water sources, and covering school fees for orphans.

- Esme Kamwende
Tea Farmer, Malawi, Fairtrade Partner
