

Statement of Compliance

The Electric Vehicles (Smart Charge Points) Regulations 2021

This template is provided to assist sellers of relevant charge points that are subject to the Electric Vehicles (Smart Charge Points) Regulations 2021 (“the Regulations”) in meeting the requirements of Regulation 13.

This requires the seller to provide a statement of compliance with the sale of any relevant charge point. In the event of bulk purchases, a separate statement of compliance must be provided with each charge point, even if the charge points are of identical make, model, software version etc.

The seller is not mandated to use this template, but any alternative format must meet the requirements of the Regulations.
