2022
ROSÉ

REGION: Languedoc, France	VARIETALS: 54% Cinsaut, 27% Grenache, 19% Syrah
-------------------------------------	---

TASTING NOTES:
This light and crisp Rosé is dry in style with a fresh and dainty nose of raspberry and strawberry. The palate is balanced with notes of apple, peaches and rose petals. The grapes were all organically grown in the South of France.

2022
SAUV BLANC

REGION: Languedoc, France	VARIETALS: 100% Sauvignon Blanc
-------------------------------------	---

TASTING NOTES:
This French Sauvignon Blanc has delightful ruby grapefruit and floral aromas. The palate is ripe with Fuji apple and melon flavors and finishes with lemon-lime and juicy guava fruit.

2022
CHARDONNAY

REGION: Mendocino County, California	VARIETALS: 98.45% Chardonnay, 1.52% Pinot Blanc, 0.03% Muscat Canelli
--	---

TASTING NOTES:
This bright Chardonnay unleashes aromas of pear and apricot with hints of nuts and vanilla. The palate is rich, slightly buttery and has the perfect amount of toast.

2021
RED BLEND

REGION: Valencia, Spain	VARIETALS: 55% Bobal, 45% Merlot
-----------------------------------	---

TASTING NOTES:
Made from organically grown grapes, this Spanish blend has red fruit aromas with subtle toasted notes. It is full-bodied, fresh and balanced on the palate, with hints of chocolate and spice.

2022
CAB SAUV

REGION: Mendocino County, California	VARIETALS: 98% Cabernet Sauvignon, 2% other
--	--

TASTING NOTES:
This California Cabernet shows beautiful aromas of ripe boysenberry, cassis and a touch of mocha and coffee. On the palate, this wine is supple with soft tannins and a velvety texture, and it is replete with black cherry and a hint of vanilla.
