CHARGING

The unit can be run using a USB supply or stand alone after charging.

Connect to a USB port using the USB Charging Cable.

The Charging Indication Light will show Red. To fully charge takes 3 hours. The Red Charging Indication Light will switch off once fully charged.

Note: The unit can be used whilst charging.

ADJUSTING THE TRIPOD/SELFIE STICK

1. Extend each telescopic section to desired height/length.
2. To open the Tripod, pull each leg firmly away from the Handle.

REMOTE CONTROL

1. To remove the Remote Control slide upwards from the Handle.
2. Remove battery cover and Insert CR1632 3V battery.
3. To pair the remote control, press and hold the Camera Button until the Blue Pairing Indicator Light is shown. Select 'Selfie' on your Smartphone to pair.
4. Press the Camera Button to take a picture or operate the video record.

FITTING YOUR PHONE

1. Pull out the tabs each side of the Phone Holder and insert.

OPERATING THE RING LIGHT

1. Press the On/Off button for 2 seconds.
2. Repeatedly press the On/Off Button to select the Light Mode (Warm, Organic or Natural)
3. Press and hold the On/Off Button again to turn off.

CLEANING & MAINTENANCE

- Switch the device off and clean using a soft damp cloth.
- Do not immerse the device in water or other liquids.
 - Dry thoroughly before storing.

IMPORTANT INFORMATION

There are no user serviceable parts inside the appliance.

DISPOSAL

The Waste of Electrical and Electronic Equipment (WEEE) Directive (2012/19/EU) has been put in place to recycle products using best available recovery and recycling techniques to minimise the impact on the environment, treat any hazardous substances and avoid the increasing landfill. This product is classed as Electrical or Electronic equipment so please ensure that at the end of the life of this product it is disposed of in the correct manner in accordance with local authority requirements. It must NOT be disposed of with household waste.

- Recycle Responsibly:**
1. Check your local municipal guidelines
 2. Separate the components and dispose of them correctly
