

# CATERING TO YOUR WELLBEAN

Wellbean Co is a social enterprise initiative of Toowoomba Hospital Foundation helping to raise funds in support of Darling Downs Health.

When we founded Wellbean Co our goal was to make great food that supported a great cause. So, when you support our cafes, you're helping to make a difference in the lives of patients and their families receiving care across the Darling Downs region.

Our catering is made in-house from fresh and yummy ingredients by our qualified chefs and team who are ready to help you with your next meeting, event, or celebration.
