LeCavist

Your perfect wine storage solution

Cuvée Rothschild

Fine dining restaurants, hotels, bars and even casual restaurants offer wine to their customers. For quick and convenient access to wine, nothing compares to wine reach-in refrigerator units. These medium and large size, attractive, and functional refrigerators are not only designed to conveniently and adequately store wine, but commercial wine coolers also operate at the highest efficiency to keep wine and beverages at the ideal temperature. In addition to all types of restaurant equipment , we offer a diverse selection of wine fridges from which you can choose to best suit your business operation.

56 Bottle Double Zone Wine Fridge

Cuvée Rothschild

Signature Features

56 Bottle Capacity

• The capacity needed for a social season and ideal for the bottles you intend to consume within 6 months.

Beech Wooden Shelves & Anti-Vibration System

• 3 wooden shelves give a premium look and feel, while assist in reducing vibration and allowing maximum use of internal space for your comfort

Double layer tempered glass

• Protect your wine collection from harmful UV rays, while keeping the interior insulated and moisture out

Precise Temperature & Humidity Control System

• Digital LED display and intuitive digital control to monitor and adjust for optimal temperature and humidity with just a touch of your fingertips

Dual zone system

• It gives you the flexibility to keep your red and white varietals at their different, optimal serving temperatures so you're ready to serve for every taste and occasion
