

# Are hbo max and hbo now the same?

## Is my HBO now the same as HBO Max?

**HBO Max is the same price as the standard HBO streaming service**, which was previously known as HBO Now. Most HBO subscribers can watch HBO Max with their existing account at no extra cost. In other words, HBO Max is basically an automatic upgrade to the older HBO streaming service.

## Did HBO now turn into HBO Max?

If you previously used the HBO Now or HBO Go app to stream HBO through an Apple TV or Google device, select Samsung smart TVs, or on your phone, your HBO Now app transformed into an **HBO Max app on May 27**.

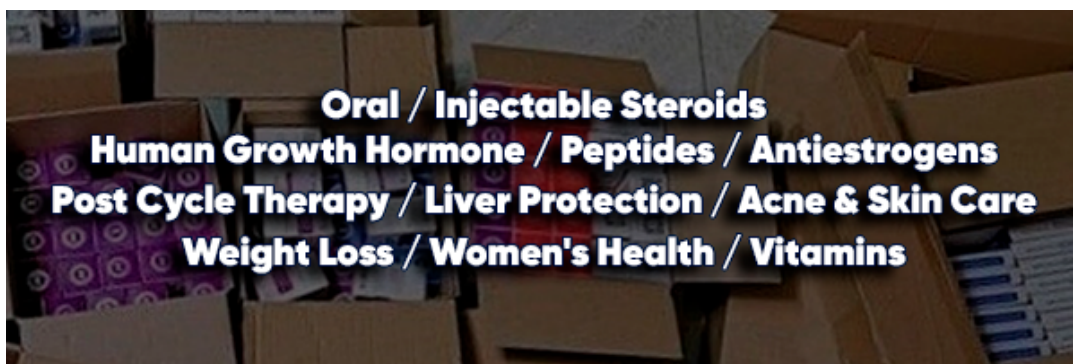

## Is HBO app different than HBO Max?

HBO Max has more content

**All** of the shows, movies and originals available through HBO are also available through HBO Max. However, in addition to all the signature HBO content, subscribers to HBO Max also gain access to a wide selection of videos from popular franchises and brands.

## Can I use HBO Max if I have HBO through Amazon Prime?

If you had HBO through Prime Video, you won't have access to HBO Max by signing in with your Prime Video credentials anymore. However you can still use HBO Max on Amazon Fire TV devices, but you'll **need to sign up for the service directly**. You can still watch HBO Live, even without cable.

## Why can't I watch HBO Max on my TV?

**Unplug the power from your network devices** (modem, router, etc.). Reconnect the power to your

router and wait for it to connect to the Internet. Plug your Android TV back in. Open HBO Max and see if the problem is resolved.

## **Is HBO now the same as HBO Max Reddit?**

**HBO now is no more and replaced by max for me.** Just trying to find out more info like am i being charged more. I don't understand why there has to be 2 apps for the same content. Just combine them into one, then you either authenticate with your TV provider or "log in" (and subscribe directly).

## **Is HBO Max worth getting?**

**HBO Max is well worth the price** if you ask us. There is so much new, original, and exclusive content that there's no chance you and your family will get bored. And HBO Max recently launched their new limited ads service. You can save \$5 per month by watching no more than four minutes of ads per hour.

## **What is the cheapest way to get HBO Max?**

HBO Max does offer deals and discounts on its own from time to time. The service recently launched a cheaper ad-supported plan that discounts the price of an HBO Max subscription to just **\$9.99 a month**.

## **Can I get HBO Max through Netflix?**

On-demand services like Amazon Prime, Netflix, or Hulu, won't have HBO shows in their library, but **you can get HBO Max with all of these on-demand services!** Which on-demand services have HBO?

## **How do I get a free HBO Max account?**

If you already have a cable subscription for HBO, you can get HBO Max for free. All you have to do is sign in with your cable provider credentials. Then you can download the app on your device or start watching online. Download the **HBO Max app** on your device.
