

HIR-22T

Receive extra spot heating with the Royal Sovereign 22" Infrared Tower Heater.

Highlights

- **Efficiency:** Infrared technology allows for rapid warm-up and quiet operation. These heaters warm objects directly in their paths, rather than just the air.
- **Convenience:** 2 Heat Settings- 1500W / 750W, as well as an adjustable thermostat for user comfort.
- **Safety:** Features safety tip-over switch and overheat protection.
- **Portability:** Compact design and back handle for easy transportation.

Perfect for heating in any home or workplace!
