Quick Start Guide

LULU QUICK CLEAN SERIES: P03

Operation

- ▶ Start by pressing .
- ▶ After starting up, the mode defaults to the normal cleaning mode without water spraying.
- ▶ Press once to start small-scale water spray. Press the second time to start large-scale water spray. Press the third time to stop spraying water.

- ▶ Do not recline to protect against water leakage to the motor and to avoid affecting washing effect.

- ▶ Release the clean water tank and add clean water and adequate amount of the specified floor cleaning formula if applicable.

- ▶ When the dirty water tank is full of sewage and reaches the warning line, the appliance stops working. Please empty the dirty water tank.

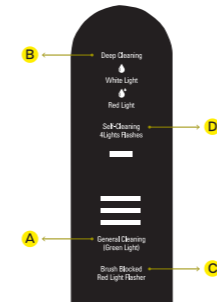

Charging & Storage

- ▶ Only use Ecowell adapter.
- ▶ Full charging time: 5-6 hours.
- ▶ Charge 3 hours every 2 months in case of long-term storage.
- ▶ Store indoors in a dry place.

LULU QUICK CLEAN SERIES: P03
