TOOLS REQUIRED TO INSTALL THIS KIT:	
ITEM	DESCRIPTION:
A	SCREW DRIVER PHILIPS # 2
B	CLEANING ALCOHOL
C	CLEANING CLOTH OR PAPEL TOWEL

HANDLE ASSEMBLY INSTRUCTIONS:

Open the Artisan ART-BC24 refrigerator door and using the 4 screws provided, use a Philips # 2 screw driver assemble the handle as shown on the illustration on the right.

- Fasten the END CAP (item 2) at the bottom first.
- Tighten screws so the End Cap feels solid, but **DO NOT** overtighten as to cause the interior door liner to deform.
- Insert the HANDLE BAR (item 4) in the Bottom End Cap.
- Place the top END CAP in the Handle Bar, insert the screws remaining and tighten so the End Cap feels solid.

ARTISAN LOGO INSTALLATION:

Prior to installing the Artisan logo, it is highly recommended to remove any dirt, dust, fingerprints or grease form the stainless surface of the Artisan ART-BC24 refrigerator door.

Although the logo can be placed anywhere on the door, we recommend installing at a distance of **2" from the bottom and side of the door** in order to match other Artisan products logo locations.

- Using a clean cloth (ie: microfiber) or clean paper towel use alcohol to clean the area where the logo is located.
- Peel away the logo's adhesive covering while being careful not to touch the adhesive material itself with your fingers.
- Locate the logo, level it and press firmly into the door's surface.
- Maximum adhesion will occur after approximately after 24 hrs. of installation.
