- **Charging time:** 1.5 hours
- **Playback time:** Up to 9.5 hours  
(fully charged, volume at 1/3 level)
- **Standby time:** Up to 18 hours

# Pairing the Speaker

---

## **Turn on the Speaker**

press & hold Bluetooth/play/call  Button for 3S until you hear 'dondooo...', then the blue LED light will flash fast.

## **Phone Bluetooth ON**

search and select (ANCwear).

## **Speaker blue LED light constantly lit**

you will hear 'buloop'.

## **Successful pairing**

## **Disconnect the speaker**

switch off the phone's Bluetooth function.  
the blue LED light of the speaker will flash fast.  
press & hold Bluetooth/play/call  button for 5S, until you hear 'doolulu', then the speaker is OFF, (the pairing memory will be kept there).

## True Wireless Stereo (TWS)

---

- If you buy the second ANCwear speaker (optional), you can make them a pair of TWS speakers.  
(to enjoy true wireless stereo)
- In case you had paired ONE speaker with your phone before, you need to delete all previous 'ANCwear' record from your phone's Bluetooth list.

### **Pairing 2 ANCwear speakers as TWS, follow A ~ F**

- A. Press & hold Bluetooth/play/call  button of BOTH speakers for 3S at the same time, until you hear 'dodoo';
- B. Speakers are turned ON, both LEDs flashing fast, then you will hear 'dodu' sound;

# True Wireless Stereo (TWS)

---

- C. Wait about 5S till the first speaker paired with the second speaker automatically.  
hear 'dodu', the first speaker's LED constantly lit, the second speaker's LED flashing fast, ready for pairing with phone;
- D. Phone Bluetooth ON,  
search and select 'ANCwear';
- E. Hear tone 'buloop',  
the second speaker Blue LED light constantly lit;
- F. Now the speaker pairing with your phone is successful.  
(let's start to enjoy the stereo)

- \* For TWS use, the distance between two speakers is 1~2 M and recommend placing on soft mat/pad to avoid vibrations on the desktop.
- \* For 1 speaker fully charged, when volume at 1/3 level, playback time can up to 9.5 hours, when in TWS paired, playback time about half.

## Call-pick/end/reject/redial

---

When calls come in (the music will stop automatically); you will hear 'ring, ring, ring...'

- Click Bluetooth/play/call  button = answer the phone;
- Click Bluetooth/play/call  button again = call ended (resume music playing);
- Or press & hold Bluetooth/play/call  button for 2S = reject call directly (resume music playing);
- To redial the last call, double click Bluetooth/play/call  button.

\* If paired as TWS speakers, only 1 speaker will work when using handsfree functions with phone calls.

## Reconnect to Phone

---

- Turn on the phone Bluetooth before switching on the speaker;
- Press & hold Bluetooth/play/call  button for 3S, until you hear 'dondooo';
- Wait for 5S... hear 'buloop', (speaker Blue LED light constantly lit);
- Pairing successful again.

### **Charging the speaker**

- Lift up the rubber cover of the charging port;
- Plug the USB end of the USB charging cable to an USB power source;
- Red LED lights up, indicates charging;
- When fully charged (about 1.5 hours), the LED light will turn off.

# Troubleshooting

---

If you came across some problems such as:

- The speaker sounds 'dododo' constantly (low battery).
  - The volume dropped suddenly or cannot be reconnected for normally playback.
- 
- Switch OFF the speaker
  - Re-charge the speaker, until the speaker's red LED light off (fully charged)
  - Clear/unpair all speaker pairing names from your phone's list
  - Turn ON Bluetooth on your phone, and then you can re-pair the speaker.

## Kindly Reminder

---

- Please power off the speaker, then fully charge it after use.
- Keep away from heat sources or high temperature and avoid exposure to the sun.

### **Return policy and warranty**

- One year warranty for manufacturing defects.
- Contact us and provide the order number, warranty could be extended 1 year.
