## 9-Layer Sofa 九层糕沙发

九层糕沙发是设计师对客厅空间的一种全新尝试，将固有的客厅沙发的摆放方式打破，创造更多的使用方式。在中华文化中，九代表着最重重的可能，也是这个沙发想要为客厅空间的家带来的可能性。

一组九层糕沙发由四个组件构成，独立的靠枕与配重靠背，双层自由叠放摊平的榻式沙发座面。四个组件可以分别单独使用，也可任意组合使用，用作沙发，临时的睡床，或者单独在家中的任意位置使用灵活的活动靠背作为倚靠。

9-layer sofa is a brand-new attempt to living space, breaking the stereotype of living room setup via offering more setting possibilities. "9" has an extended meaning of endless possibilities in Chinese language and culture. The same goes for grado's 9-layer sofa.

A 9-layer sofa set includes four components, namely two free-standing backrest sections and two layers of seating sections. The four sections can be used separately, or in any combination as a whole sofa or a temporary bed. The backrest section can be flexibly used separately at every corner of the house for reclining.

## 9-Layer Sofa Soft 九层糕沙发偏软款

粽子沙发偏软款是在原有的粽子沙发基础上进行的一次新的升级。它从视觉上和坐感上都更加强调了“soft”，来更更加居家的亲近感。它在原有的纯海绵框架结构上继续叠加了羽绒包，带来更加有层次且舒适的坐感，为喜欢高度柔软坐感的客户带来新的选择。

One year after grado released our 9-Layer Sofa, we are now introducing our upgraded softer version. The designer resorted to softer foam filling, large piping and wrinkle detailing for the new 9-Layer Sofa Soft. This is of course a better choice for those who are into softer seating comfort and more detailing, more decoration. Compared with the original version's minimal style, 9-Layer Sofa Soft is more of being French chic and creamy soft.
