

COCO COFFEE TABLE

Coco Coffee Table 可可茶几

可可茶几是一款极简的组合式茶几，为不同室内空间提供不同的搭配方案。

茶几采用油漆或岩板两种材质的台面，黑色的方管脚架强化了产品的线条感，使茶几更加轻盈灵活。

1.2m 和 0.7m 两种宽度规格，既可以单独使用，也可以穿插组合，以适用于更大的户型空间。

The modular Coco Coffee Table set following a minimalism style is an all-match solution to various space needs.

The coffee table set has two tabletop finishes, namely painting and sintered stone. The square black tube frame shapes a clean silhouette, creating a lightweight and delicate visual interest.

This product has two width choices of 47.25inches and 27.60inches. The modular table can be used separately or together depending on the space.
