Ding Lounge Chair 鼎休闲椅

grado 致力于传播中华文化与美学，历史遗迹遗留的不仅有厚重的文化，设计师也提取着千年沉淀的美学元素。

鼎休闲椅的设计便提取了中国青铜器时期的重要器物——鼎，的造型元素。鼎休闲椅提取了其通体圆滑的曲线融合在产品的整体造型里，加以四只柱形的腿部，保持着“鼎”固有的厚重和沉稳感，让坚定的包裹和安全的稳定感完美地融合在这个产品当中。

As a designer furniture brand from China, grado has been making Chinoiserie furniture designs to show our respect to the nation's grand history, brilliant culture, as well as her aesthetics cultivated through the passage of time. This new arriving Ding Lounge Chair took inspiration from a prehistoric Chinese bronze cauldron standing upon legs. This ancient cooking vessel was for ritual offerings to the gods or to ancestors.

Having been eliminated its solemn connotation, Ding Lounge Chair offers an adorable look with its rounded and heavyweight seat standing upon four lovely short cylinder legs to find its position in modern interiors design. This Chinoiserie furniture piece is still a nice fit for contemporary style living space.
