## Dorayaki Coffee Table 铜锣烧茶几

铜锣烧茶几有一系列大小高矮不一的现代风格茶几，它的桌板是双层结构，边缘有微妙收小的弧度，上下两层夹起的模样，正是铜锣烧茶几名字的由来。

上层面板采用了实木贴皮的纹理给空间增加更多层次感和装饰性，下层台面和茶几腿都是磨砂雾面的颜色，与顶面区别了材质又相互搭配。

Dorayaki is a Japanese confection consisting of two small patties with a filling of sweet bean paste. This contemporary style coffee table sets grabbed inspiration of coloring and form from Dorayaki. Its tabletop mimicked the double-layer feature and the subtle incline on the edge of this dessert. The table's upper layer is with wooden veneer for decoration, while the lower layer and legs are with solid black finish for matching.

Dorayaki Coffee Table is now available across three dimensions. More color and dimensional options are coming soon.
