## LOUNGE CHAIR

## Sushi Lounge Chair 寿司休闲椅

寿司休闲椅延续了 grado 品牌整体的风格，为现代风格的居家空间增添了一个新的选择。

它强调包裹，以柔软的材质包裹结实的框架，也以柔软的舒适包裹使用者。

它强调饱满，以饱满的羽绒填充，实现饱满的设计弧线。最后，绗缝面料增色了饱满的特点，更将凸显了它饱满的张力。

As a new evidence of grado style, Sushi Lounge Chair is absolutely worth your choice in any contemporary living space.

Sushi Lounge Chair highlights a cozy feeling of embracement with its extremely soft upholstery and durable frame. This is owing to its rich goose down filling and quilted upholstery fabric. This selected fabric is smooth to the touch yet durable enough to hold up to daily use.
