整体轻盈的粽子沙发可以轻易地被搬动，使其适应家中的各个空间。

不同面料，两种收边方式可以选择。

Zong Sofa was inspired from Zongzi, a Chinese sticky rice dumpling covered by bamboo leaves. With the French seam edges or the inside out seam edges, its cover has an abstract look of Zongzi with unique modern aesthetic. The sofa is filled with foam of different densities to provide both softness and support. The lightweight Zong Sofa is easily carried to be arranged at any corners of your living space.

Optional fabrics and seams are offered.

Zong Sofa Soft 粽子沙发偏软款

粽子沙发偏软款是在原有的粽子沙发基础上进行的一次新的升级。

它从视觉上和坐感上都更加强调了“soft”，来更加居家的亲近感。它在原有的纯海绵框架结构上继续叠加了羽绒包，带来更加有层次且舒适的坐感，为喜欢高度柔软坐感的客户带来新的选择。

What we expect from this upgraded Zong Sofa Soft is an extraordinary “softness”, both visually and physically. The newly added goose down-filled cushion offers richer experience of seating comfort through ergonomic silhouette and superior support. We believe Zong Sofa Soft a fabulous choice for your chillaxing-at-home weekend.
