

Florence & Amelia's
Vintage, Personal, Inspiring

Florence and Amelia – two of the loveliest ladies I've ever known and luckily for me my wonderful grandmothers. They were the best of friends and had a real lust for life. Holidaying in Greece became one of their favourite things to do as well as going for a gill or two! The memory of them is the inspiration for my vintage inspired shop and the reason I strive to provide the very best customer service to you lovely lot!

We truly wouldn't have come this far without your continued custom and support.
