

# Giraffe

Make this box to store your trinkets and treasures!

## YOU WILL NEED

Some help needed

2 hours, plus drying time

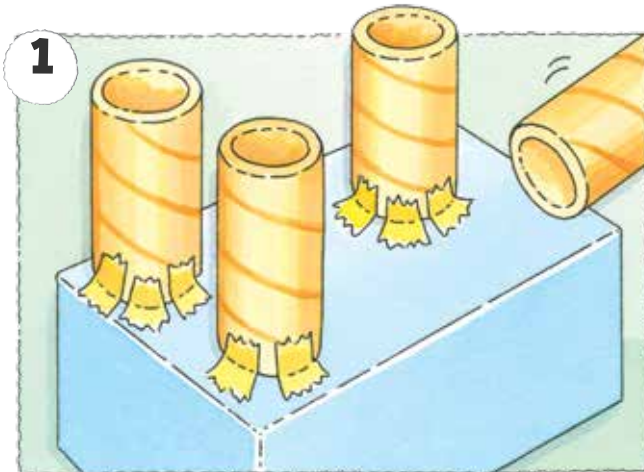

★★★★

- Acrylic paint – yellow, brown
- Box (8 cm x 8 cm x 13 cm)
- Card (scraps)
- Card tube (15 cm x 3 cm)
- 4 card tubes (8 cm x 3 cm)
- Eye stickers
- Felt pen – black
- Glue brush

- Paintbrush
- Pencil
- Pipe cleaner – thin brown
- Polystyrene egg (8 cm)
- PVA glue
- Scissors
- Sticky tape
- 3 wooden beads (2 cm in diameter)

## Before you start

Clear a surface to work on and cover it with newspaper. Wear an old t-shirt or apron to protect your clothing. Read the instructions with an adult and gather the equipment.

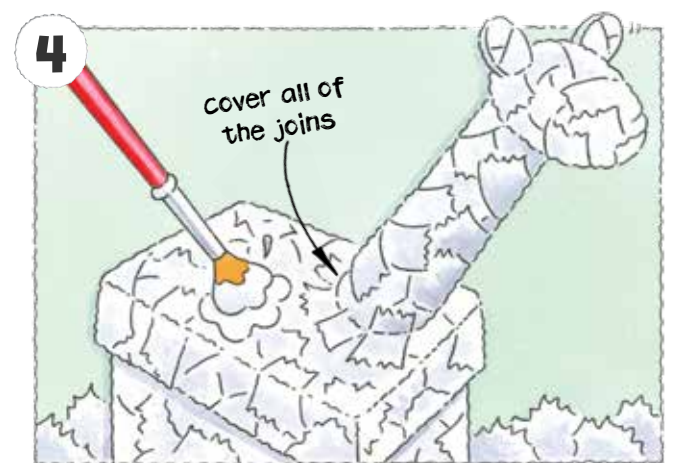

1 Tape the card tubes to the underside of the box. This is the body and legs. Turn over the box to make sure the legs are level.

2 To make the head and neck, tape the polystyrene egg to the top of the long tube. Cut out two card ears and tape them to the head.

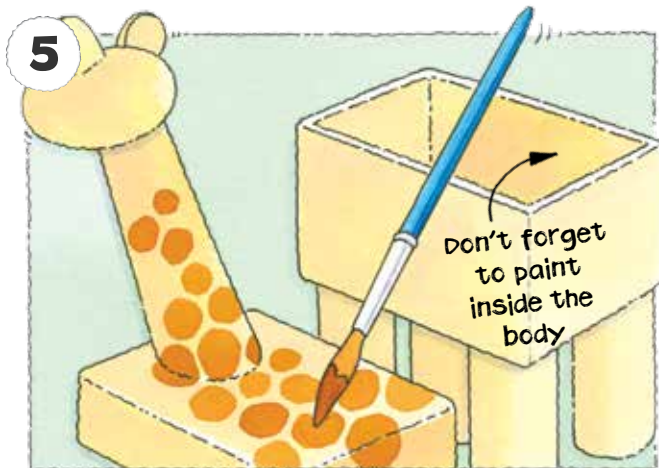

3 Make a diagonal cut through the other end of the long tube. Tape it to the lid of the box, so it sits at an angle.

4 Glue pieces of newspaper on the whole model, but don't glue the lid to the box. Leave to dry.

**SAFETY!** Ask an adult for help when using scissors, sharp pencils or glue.

Paint the giraffe yellow. Use brown paint to add spots. Leave to dry.

Use the black felt pen to draw the nostrils and mouth. Add the eye stickers.

Cut the pipe cleaner into one long and two short pieces. Add a bead to each piece. Push the two short pieces into the head and the long piece into the end of the body.

Remove the lid to store your special things
