

Elmore Roots “On-Call” working list

Think you'd enjoy occasionally working for Elmore Roots but can't commit to a whole season? We are sometimes in need of a few extra hands to help with digging trees, potting plants, putting trees on tables, harvesting fruit, and other odd jobs.

Pay is \$15 per hour. You will be asked to fill out employee paperwork (I9, W4) before starting, even if you are helping for just one day or two. 18 years and older, please.

If you would like to be added to our “on call” list, send us an email at elmorerootsishiring@gmail.com. Please include your name, phone number, and general notes about your availability (for instance, “spring” or “week days”), as well as anything else you'd like us to know about you.
