**BEFORE USING THIS PRODUCT:** Review and save the Instruction Manual for future reference. Please call Infantino at 1-800-840-4916 (for US or Canada) with any questions or visit our website [www.infantino.com](http://www.infantino.com). Made in China.

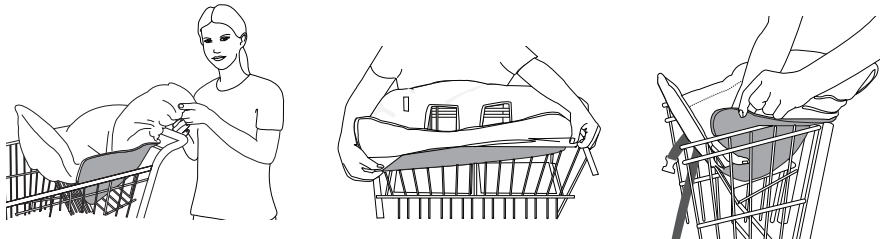

# ⚠WARNING:

- DO NOT use this seat cover as a child restraint in a motor vehicle. This product will not properly restrain your child in the event of a crash.
- KEEP AWAY from fire and strong source of heat.
- Always secure the child into the seat cover with the safety harness, and always secure the seat cover onto the restaurant high chair or shopping cart as directed. Not following these instructions can result in serious injury.

## Use/Care Instruction for Cart Cover:

Clean teether before each use with a damp sponge or cloth. Remove teether, safety harness and sippy cup strap before washing. Machine wash cold on gentle cycle. Do not use bleach. Drip dry only. Do not iron.

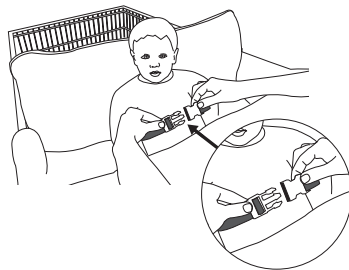

## Instructions: Shopping Cart

1. Position the Compact™ over the child seat area of the shopping cart. Drape the cover over the entire seat as shown, pattern side up.
2. Slide back elastic end over the seat back of the shopping cart. Leg hole areas will match up to cart when positioned correctly.
3. Position the Compact™ side flaps over the sides of the cart.

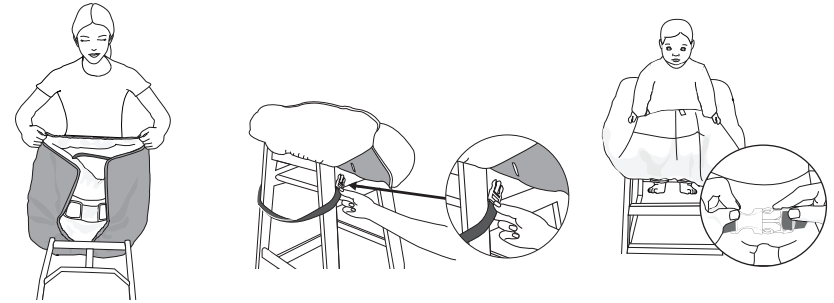

4. To secure Compact™ to cart, feed safety harness around the back of the shopping cart and back through the button hole. Pull on belt to be sure Compact™ belt is attached to cart.

5. Place baby in seat, secure safety harness around torso, and buckle. Listen for the audible "click" to ensure buckle has latched securely.

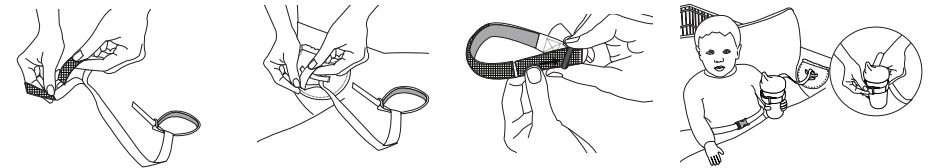

2.

## Instructions: Highchair

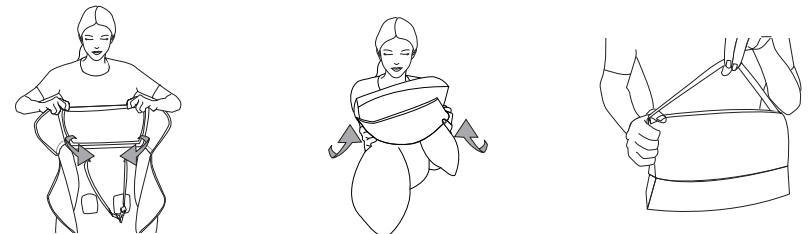

1. Position the Compact™ over the child seat area of the highchair. Drape the cover over the entire seat as shown, pattern side up. Leg hole areas will match up to high chair when positioned correctly.
2. To secure Compact™ to highchair, feed safety harness around the back of the highchair and back through button hole.
3. Place baby in seat, secure safety harness around torso and buckle. Listen for the audible "click" to ensure buckle has latched securely.

## Instructions: Attaching Sippy Cup Strap

1. Pull apart the 2 pieces of hook and loop at longest portion of the strap.
2. Feed one portion through loop on outside of the pocket and secure hook and loop back together.
3. On opposite end of strap feed hook and loop through D-ring with rubber portion on inside, creating a circle opening.
4. Place sippy cup in opening and secure hook and loop tightly around cup or bottle. (sippy cup not included)
5. Sippy cup strap can also be used on highchair and stroller.

## Instructions: Folding Compact™ into a tote

1. Remove the Compact™ from shopping cart or highchair and hold by back pocket.
2. Reverse and fold the Compact™ up into the self contained pocket.
3. Once the Compact™ is fully in the pocket, fold flap over to close.

3.
