

SAFETY RECALL

Infantino Activity Stackers Model 158-202 UPC 773554582024

The blue metallic material on the bottom ring can become detached. If this occurs, a baby could swallow the material and choke.

**The recalled toy (see picture above) is marked
“Infantino” on the tag.**

It was sold from June 2008 through February 2009

Products containing blue satin material are not part of this recall.

Consumers should immediately stop using the toy and return it to Infantino to receive a free replacement product.
