

# QUARRY MINING

& CONSTRUCTION EQUIPMENT PTY LTD

## DUST KING

### FOR AIRBORNE AND RESPIRABLE DUST SUPPRESSION

- ✓ Safe, easy to handle, non-hazardous
- ✓ Applied with simple, automated systems
- ✓ Reduces dust levels to below regulatory compliance
- ✓ Descales and prevents corrosion and keeps water cooled equipment cleaner
- ✓ Reduces drop down dust when advancing chocks and bolters
- ✓ Drill bits last longer due to reduced friction
- ✓ Breaks static charge on conveyor belts
- ✓ Reduces or eliminates stockpile drifting
- ✓ Helps eliminate spontaneous combustion
- ✓ Reduced water usage on sprayed applications
- ✓ Roadway use
