SECTION E : SECURITY DEPOSIT TERMS AND CONDITIONS

Applicable to:	UK Customers	X	USA Customers	X	Rest of World Customers	✓
-----------------------	---------------------	---	----------------------	---	--------------------------------	---

Security Deposit Terms and Conditions – Applicable to Customers Located Outside the UK or US

Customers residing outside the UK or US wishing to proceed with a SIM or device activation on a post-paid/monthly contract with Global Telesat Communications are required to provide a security deposit of £150 per device before an activation can be processed.

Following activation of your SIM or device, we will issue monthly airtime invoices for monthly fees and any airtime charges and charge the credit card provided by you for the amount due. Upon termination of your Airtime Agreement, we will refund your deposit minus any outstanding charges due to us.

In the event of your credit card payment request being declined when we attempt to take payment for your monthly invoice, we will send a reminder and allow you a grace period of 7 days to provide an alternative method of payment. If we fail to receive an alternative method of payment from you, we will deduct the charges due on your airtime invoice from your security deposit. We will send a second request for alternative credit card details and if no alternative method of payment is received we will deactivate your SIM or device 5 days after our second reminder. Any outstanding charges, including deactivation fees, early termination fees and any other fees relevant to your contract will be deducted from your security deposit. You will also be liable for any charges incurred over and above the security deposit provided.

Should you wish to reactivate service following this deactivation you will be liable for any reactivation fees imposed by the satellite network operator and we cannot guarantee that the plan you reactivate on will be the same one that was previously available. It is your responsibility to ensure we have an up-to-date payment method and contact details on file and we will not be held responsible for any consequences of any kind resulting from this deactivation if you have failed to provide us with an up-to-date email address and credit card information.

No deposit shall accrue interest unless required by law and all other terms and conditions stated in our Airtime Agreement remain in force following execution of this Security Deposit Agreement.
