# TRIANON

# B E R N H A R D T

Minimalist in nature with an elevated design aesthetic, Trianon explores the elemental relationship between space, form and material. Clean lines highlight precise curves and perfectly balanced proportions. Open spaces create a sense of lightness within bold structure. Natural, organic textures give the collection a sophisticated earthiness with the tactile richness of wire-brushed pine, chiseled stone and rustic cast aluminum. Hints of multicultural influences blend with refined modernism for a look that feels inspired, curated and worldly.
