AVENTURA

Inspired by relaxed California style, Aventura transforms traditional silhouettes with the restraint of a minimalist approach and the warmth of a rustic finish. Dramatic variations in wood grain add depth and texture to exaggerated molding, cameo door fronts and the clean lines of simple forms. Signature pieces feature carved statement legs and posts or prominent metal detailing. Bold hardware and the shine of textured metal highlights subtle geometric surface dimension, while pale cast stone lends an airy lightness. The collection builds on familiar forms with a fresh, modern update for a look with bright, casual sophistication.
