SILHOUETTE

B E R N H A R D T

Characterized by bold contrasts, crisp tailoring and clean lines, Silhouette highlights minimalist forms with dramatic details in a chic palette of black and white. A subtle straight wood grain lends fine texture and softness to the finishes, while polished stainless steel adds luxe, mirror-like shine to architectural frames and geometric patterns. Clear glass tops and slender outlines enhance the use of open space, giving inset drawers and surfaces the look of editorial typography or beautiful packaging. The design perspective is elevated, but the mood is pretty and feminine with a camellia motif, subtle curves and a hint of Hollywood Regency. The collection is undeniably glamorous, with the timeless appeal of a black and white film. Graphic elements take on cinematic beauty. Sleek linear forms find balance with pattern, texture and curves. Silhouette combines classic style with effortless sophistication in a fresh, sartorial interpretation of modern design.
