North Side

Welcome to the North Side, where furniture is designed to match the pace of contemporary living. The North Side collection is inspired by the cities we love, providing modern casual options that reflect a simple, stylish point of view.

North Side features a linear repeat spindle design element throughout the group, which gives an uplifting feeling and evokes the lofty architecture of iconic city skylines. All case pieces include posts that extend to the floor with stretcher frames that give a structured framework to each design. Ash solids and veneers are finished in a warm light gray shale tone, complemented by flaxen bronze hardware. Lighter in color and scale, the North Side collection is perfect for spaces of all shapes and sizes, from spacious homes to the tight corners of urban lofts. The palette and design provide universal appeal to all regions coast to coast, attracting customers looking for a modern casual style that reflects the spirit of their contemporary aesthetic.

Live the city lifestyle from a relaxed, easy point of view. North Side provides a uniquely structured design perspective that will transport you to the iconic cities of the world.
