285 Vault COLLECTION

Strength and timeless beauty are the true cornerstone of great design. Inspired by architecture, the Vault collection incorporates the iconic structure of the classic arch in tones of oak and stone, creating monolithic forms with a touch of modernism. Boldly angular lines meet pleasing curves for a look that evokes the solidity and balance of contemporary urban design.

SHELTER BED*

QUEEN: 285125-2354

KING: 285126-2354

CAL KING: 285127-2354

Comforting curves meet the solidity and strength of modern architecture. This impressive bed softens its bold lines with a fully upholstered frame wrapped in soft grey polyester chenille, for a comfortable sheltered night's sleep like no other.

PANEL BED

QUEEN: 285135-2354

KING: 285136-2354

CAL KING: 285137-2354

Here comes the sun! This panel bed features a large solid poplar headboard with oak veneer in an eye-catching radiant pattern. A vertically grained footboard and sides fully encloses the bed in a round-cornered frame in an attractive grey finish.

MIRROR

SKU: 285120-2354

Gaze through this arch to a bright new future in this graceful tribute to modern architecture. A 32" x 43" mirror is enclosed in a classically arched frame reminiscent of doors and windows, finished in an antique metal tone that adds a subtle touch of shine to any entryway, living room or vanity.

LANDSCAPE MIRROR

SKU: 285121-2354

Double the visual impact with this landscape mirror that can be hung either horizontally or vertically, featuring a rounded poplar frame enclosed in a metallic rectangular frame. The combination of oak veneer and a warm grey mink finish delivers an impactful modern aesthetic that suits a variety of styles.

9 DRAWER DRESSER

SKU: 285131-2354

Bridging the gap between form and function, this dresser evokes the strength and solidity of modern architecture. A trio of arches adorns this dresser, which features nine drawers for ample wardrobe storage. A warm grey mink finish is complemented by stylish modern drawer pulls that form a continuous vertical element from top to base.

SMALL NIGHTSTAND

SKU: 285141-2354

Striking modern lines, beautiful wood grain, and an oversized, sculptural drawer pull... this petite nightstand has it all! Swooping arched curves support a top with a central drawer featuring a convenient USB charging port, and an open lower shelf provides additional space for storage or decor.

BEDSIDE CHEST

SKU: 285142-2354

This compact chest is a small but stylish addition to the bedroom, featuring strong horizontal lines softened by the rounded corners of its facade. Three drawers provide ample storage for all the bedside necessities, accented by oversized drawer pulls that form a continuous vertical element. The chest features solid poplar construction veneered in oak with a soft grey mink finish, and complementary hardware in a metallic tone.

BED BENCH

SKU: 285149-2354

Inspired by modern architecture, this bench features the support arches that are the hallmark of this collection, complemented by a meticulously upholstered cushion with rounded edges that soften the striking geometry of this look. Classic and contemporary, this bench looks equally at home at the foot of a bed, in the living room, or as a hallway accent.

*UPHOLSTERED
SIDE CHAIR*

SKU: 285206-2354

This side dining chair is inspired by the structural forms of modern architecture. Featuring the iconic arch as a central element of the upholstered back, it rests on square tapered supports that evoke strength and solidity. Crafted from solid wood, the soft grey finish is a perfect complement to finely tailored grey upholstery.

*UPHOLSTERED
ARM CHAIR*

SKU: 285207-2354

The softer side of modern architecture is on display in this upholstered arm chair. Featuring the iconic arch as a central element of the upholstered back, it rests on square tapered supports that evoke structure and strength. Crafted from solid wood, the soft grey finish is a perfect complement to finely tailored grey upholstery.

RECTANGULAR DINING TABLE

SKU: 285220-2354

Form and function combine masterfully in this large rectangular dining table, crafted from solid wood with arched supports that evoke the iconic structure of contemporary buildings. The table extends from 88" to a generously proportioned 132" that comfortably seats 10. Welcome your family and friends to dine with this strikingly sculptural table.

RECTANGULAR COCKTAIL TABLE

SKU: 285300-2354

The beauty of the urban skyline comes to the living room with this hefty rectangular table, crafted from solid wood with arched supports that evoke the iconic structure of contemporary buildings. Classic and contemporary, this table is an eye-catching centerpiece for both entertaining and quiet evenings.

BUFFET

SKU: 285252-2354

A trio of arches adorns the surface of this buffet, inspired by the form and strength of modern bridges. Solid poplar construction and oak veneer is finished in a soft grey mink shade, complemented by stylish modern drawer pulls that form a continuous vertical element from top to base.

CHAIRSIDE TABLE

SKU: 285383-2354

Two finishes are better than one. This attractive small table combines an open, arched wood base finished in soft mink grey with a circular cast resin concrete look top, for a two-tone look that's modern and sophisticated. This petite piece makes the perfect place to display a lamp, or can be used as an accent table in the living room or bedroom.

ENTERTAINMENT CONSOLE

SKU: 285423-2354

Modern form meets practical function in this stylish entertainment console, crafted from poplar solids and veneered in oak with a soft grey mink finish. Four doors open to reveal four adjustable shelves with convenient wire management for electronic devices, as well as plenty of storage for all your living room entertainment essentials.
