

Churn Dash

Designed by Donna Jordan for Jordan Fabrics

47 x 65"

65 x 83"

83 x 92"

Throw

Twin

Queen

Fabric requirements for Throw:
 12 Fat Quarters or Quarter Yards
 Inside & Outer Border – 1 Yard
 Middle Border - $\frac{1}{2}$ Yard
 Binding – $\frac{1}{2}$ Yard
 Backing – 3 yards

Fabric requirements for Twin:
 24 Fat Quarters or Quarter Yards
 Inside & Outer Border – $1\frac{1}{4}$ Yards
 Middle Border - $\frac{1}{2}$ Yard
 Binding – $\frac{5}{8}$ Yard
 Backing – 5 Yards

Fabric requirements for Queen:
 36 Fat Quarters or Quarter Yards
 Inside & Outer Border – $1\frac{1}{2}$ Yards
 Middle Border – $\frac{5}{8}$ Yard
 Binding – $\frac{3}{4}$ Yard
 Backing – $7\frac{1}{2}$ Yards

Throw Size Quilt

If you are using fat quarters cut each as shown in the diagram below:

If you are using quarter yards pieces, then keep your fabric folded as it came on the bolt, so it is **two** layers thick and then only cut **half** of each of the pieces shown above.

Gather the following pieces from one lighter print and one darker print:

4- $3\frac{7}{8}$ " squares, 1 - $3\frac{1}{2}$ " square, 2 - 2×20 " strips.

Half square triangles (HST): Take a light $3\frac{7}{8}$ " square and draw a diagonal line on the reverse side from corner to corner. Place the light fabric right sides together on a dark fabric square and sew $\frac{1}{4}$ " away from each side of the drawn line. Cut along the drawn line to yield two half square triangles. Open the half square triangle unit and press seam allowance toward the darker fabric. Trim "dog ears" if desired. The finished square should now measure $3\frac{1}{2}$ " square. Make 8 HST units.

Take one light and one dark 2" strip and stitch together along one long edge with a $\frac{1}{4}$ " seam allowance. Press the seam allowances toward the darker fabric. Cut the strip unit into 4 – 3 $\frac{1}{2}$ " squares. Reserve the leftovers for the optional pieced border. Repeat with the second set of strips.

Lay out the HSTs, strip units, and a center square as shown below and stitch together to make your first two Churn Dash blocks.

Repeat with the remaining pieces to make 22 more blocks for a total of 24 Churn Dash blocks.

Lay out the blocks into 6 rows with 4 blocks in each row. Stitch into rows and stitch rows together.

Inside border: Cut 5 @ 2" WOF (width of fabric). Stitch into one long piece and stitch onto all four sides of the quilt.

Middle border: Cut 6 @ 2" WOF. Stitch into one long piece and stitch onto all four sides of the quilt OR stitch 13" pieces onto each end of the optional pieced borders below.

Optional pieced border: Stitch the leftover 2 strip unit scraps side by side to make a strip unit that is 29 strips wide by about 6" and another that is 19 strips wide by about 6". Iron all seam allowances to one side. Stitch a 13" length of the middle border fabric onto each short end of the pieced border. Center the shorter pieced borders on to the top and bottom of the quilt, stitch on, and cut off the excess length. Repeat with the longer pieced borders on each side of the quilt.

Outside border: Cut 6 @ 3" WOF. Stitch into one long piece and stitch onto all four sides of the quilt.

Twin Size Quilt:

Follow the above directions to make 48 Churn Dash blocks. Stitch into 8 rows with 6 blocks in each row.

Inner Border: Cut 7 @ 2"

Middle Border: Cut 7 @ 2". For optional pieced border stitch leftover 2 strip unit scraps to make a section that is 38 strips wide and another that is 28 strips wide.

Outside Border: Cut 8 @ 3"

Queen Size Quilt:

Follow the above directions to make 72 Churn Dash blocks. Stitch into 9 rows with 8 blocks in each row.

Inner Border: Cut 8 @ 2"

Middle Border: Cut 9 @ 2". For optional pieced border stitch leftover 2 strip units to make a section that is 48 strips wide and another that is 42 strips wide.

Outside Border: Cut 9 @ 3"

Quilt, bind, and enjoy!
