

Fantasia Panel Quilt

Quilt Pattern for 23" Panel

Designed by Donna Jordan for Jordan Fabrics

Finished Size 47 x 67"

Fabric requirements:

1 Panel – at least 23x43"

28 Layer Cake 10" Squares OR 25 Jelly Roll Strips

Main Accent – 1 yard

Secondary Accent – 3/8 yard

Binding – 5/8 yard

Backing – 3 yards

If you are using 10" Layer Cake Squares: Take 11 of the layer cake squares and cut each into 4 – 2 ½ x 6" rectangles for the corner patchwork blocks. Take 17 of the layer cake squares and cut each into 1 – 2 ½ x 10", 2 – 2 ½ x 8", and 1 – 2 ½ x 6" for the border patchwork blocks.

If you are using Jelly Roll Strips: Take 17 of the 2 ½" strips and cut 1@ 10", 2 @ 8", and 1@6" from each. Take 8 of the 2 ½" strips and cut 6@6" from each.

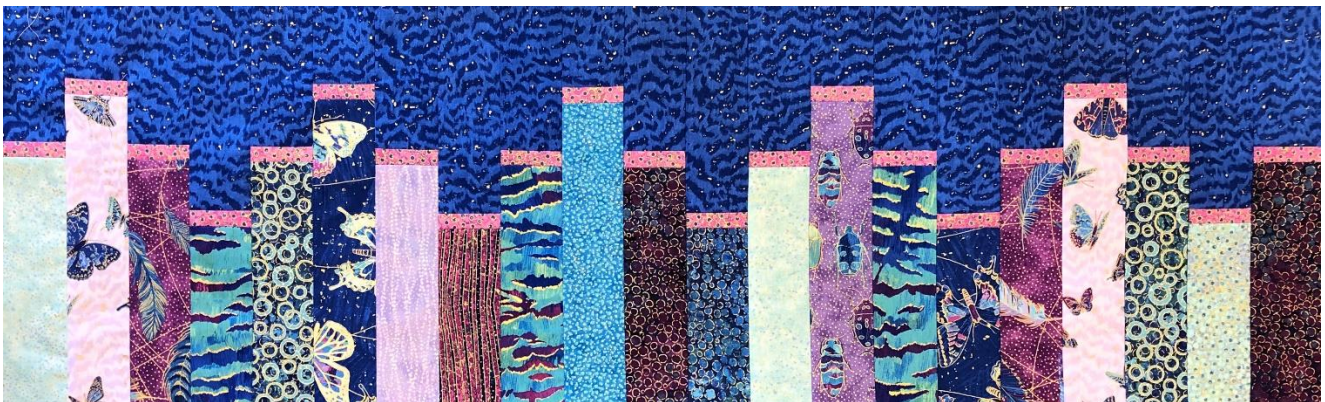

Secondary Accent Fabric: Cut 2 @ 1" WOF (width of fabric) and sub-cut 4 – 1 x 7" and 4 – 1 x 7 ½" for corner patchwork blocks. Cut 5 @ 1" WOF for strip units.

Main Accent Fabric: Cut 1 @ 7" WOF and sub-cut into 4 - 7" squares for corner patchwork units. Cut 1@7" WOF, cut 3@ 5" WOF, and cut 1@3" WOF for strip units.

Sewing instructions: Stitch a 1" secondary accent strip onto one long edge of each of the main accent fabric strips and press seam allowances toward the 1" strip.

Sub-cut each of the resulting strip units into @2 ½" widths. Stitch the longest accent units onto the 6 x 2 ½" pieces. Stitch the medium length accent units onto the 8 x 2 ½" pieces. Stitch the shortest accent units onto the 10 x 2 ½" roll pieces. Each unit will now measure 13".

Use the picture below to lay out 21 of the pieced units in a multi-colored arrangement to make a side border unit. Stitch together and press seam allowances all to one side. Repeat to make one more side border unit.

Use the picture below to lay out 11 of the pieced units in a multi-colored arrangement to make a top border unit. Stitch together and press seam allowances all to one side. Repeat to make one more border unit for the bottom of the quilt.

Measure the length of the side borders (they should be about 42 ½") and the length of the top and bottom borders (they should be 22 ½"). Take the panel and cut it down so that it is the same size as the pieced borders.

Corner patchwork units: Using the picture below as a guide, stitch a 1 x 7" secondary accent piece to the left edge of the 7" square main accent piece. Stitch a 1 x 7 ½" onto the top edge side. Stitch 4 of the 2 ½ x 6" rectangles side by side. Trim the patchwork down to 7 ½". Stitch onto the left side of the main/secondary accent unit. Stitch 7 of the 2 ½ x 6" rectangles side by side. Trim the patchwork down to 13". Stitch onto the top edge of the patchwork unit.

Stitch the patchwork side borders onto the panel. Using the picture of the finished quilt as a placement guide for the orientation of the corner blocks, stitch the corner blocks onto each side of the top and bottom patchwork borders. Stitch the borders onto the top and bottom of the panel.

Quilt, bind, and enjoy!
