Fabric Requirements:

Variegated, gradient, or ombre style prints – 1 yard each of 4 different prints
Border - 1 yard
Binding - 5/8 yard
Backing - 4 3/4 yards

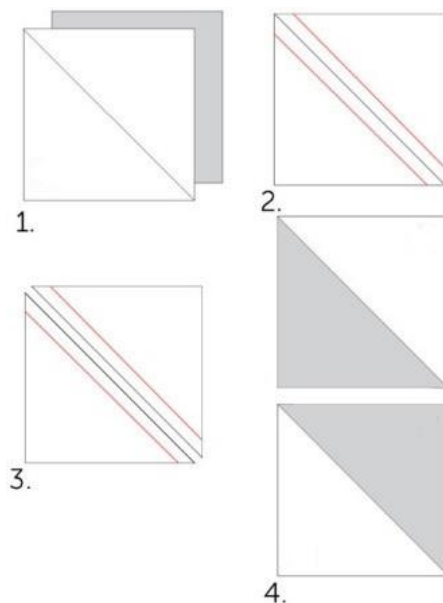

Cutting Instructions:

From the first print cut 3@10" WOF. Sub-cut each strip into 4-10" squares for a total of 12 squares. Put the squares in pairs by putting the #1 and #3 together, and the #2 and #4 together.

To make half square triangles draw a diagonal line on the reverse side of the lighter of the paired squares, and then stitch $\frac{1}{4}$ " away from each side of the line.

Cut along the drawn line to give you 2 half square triangles. Steam press seam allowances toward the darker color and trim off any dog-ears.

Repeat until you will have a total of 12 half square triangle blocks.

Note – if the print has a striped effect, then when you put the paired squares right sides together be sure to have the stripes going in opposite directions (stripes on the bottom square going horizontal and on the top square going vertical).

Repeat with the remaining 3 prints. You will have a total of 48 half square triangles

Lay out the blocks as shown in the picture above or create your own fun design!
Stitch blocks together into rows and then stitch rows together.

Border: Cut 7 @ 4 $\frac{1}{2}$ " WOF and stitch onto all 4 sides of quilt.

Quilt, bind, and enjoy!
