Designed by Donna Jordan for Jordan Fabrics  
Finished Size 45 x 63" or 47 x 66" with optional sashing

## Fabric requirements:

35 Layer Cake 10" Squares

Accent – 7/8 yard

Optional Sashing – 5/8 yard

Binding – 1/2 yard

Backing – 3 yards

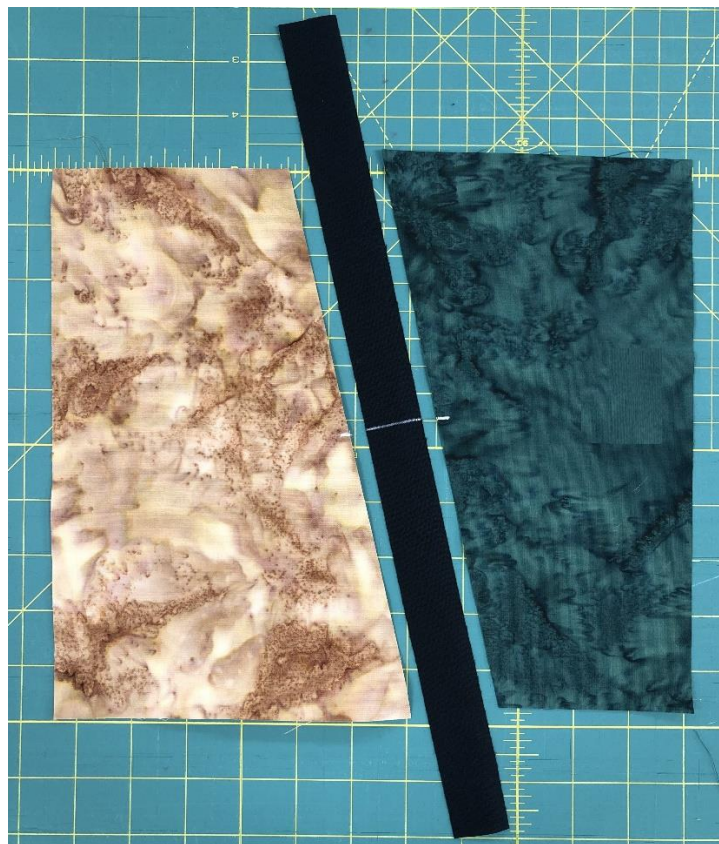

Accent Fabric: cut 2 @ 15" WOF (width of fabric). Sub-cut each to 36 - 1" strips for a total of 72.

Take two different layer cake squares and stack them up with right sides up and raw edges even. Cut across at a slight angle as shown below. Trade the resulting pieces so you have two blocks with two different fabrics as shown below.

Using a chalk pencil, make a small mark on each side of your cut somewhere near the center of the block. Take an accent strip and make a chalk line across the back of it. Using a  $\frac{1}{4}$ " seam, stitch the accent strip onto one of the cut sides of the block making sure to line up the chalk marks. Finger-press the seam allowance away from the accent. Stitch the remaining section of the block on to the accent, again lining up the chalk marks and press seam allowance away from the accent. Repeat with all layer cake blocks.

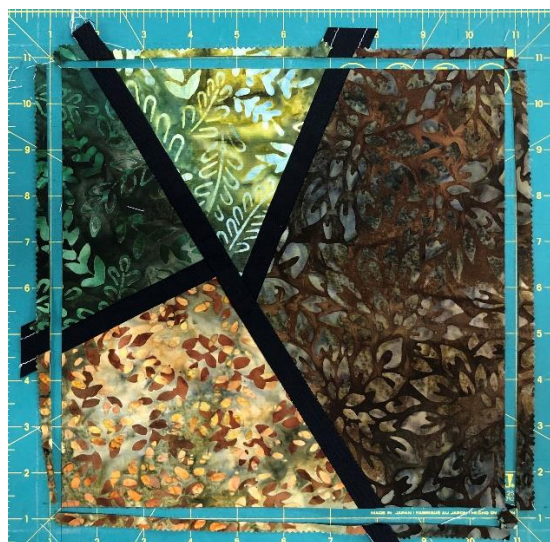

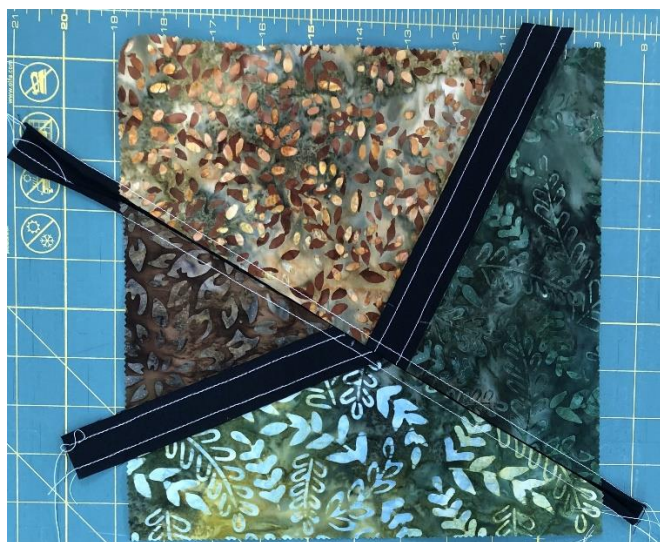

Stack 2 different blocks both with right sides up raw edges even. Make a cut at a slight angle as shown below. Trade pieces to form 2 new blocks. Repeat the procedure above to add an accent to each block.

Press the seam allowances toward the accent. Trim each block down to  $9\frac{1}{2}$ " square.

Layout the blocks into a 5 x 7 block layout. Stitch together into rows, and stitch rows together, pressing seam allowances in alternate directions.

Optional Sashing between the blocks cut 1 @  $9\frac{1}{2}$ " WOF. Sub-cut to 28 –  $1 \times 9\frac{1}{2}$ " pieces. Stitch between the blocks in each row. Cut 8 @ 1" WOF. Stitch into one long piece and sub-cut to 6 –  $1 \times 47\frac{1}{2}$ " pieces. Stitch between the rows.

Quilt, bind, and enjoy!
