Required Materials:

- A 24 block Pre-cut Rail Fence Quilt Kit
- $1 / 4$ yard for the pinwheels
- $1 / 4$ yard for $1^{\text {st }}$ border
- $1 / 2$ yard for the $2^{\text {nd }}$ border
- 1 yard for the $3^{\text {rd }}$ border
- $1 / 2$ yard for binding
- 3 yards for backing

## Cutting Instructions:

From the accent fabric cut 2 @ $21 / 2^{\prime \prime}$ WOF and sub-cut to $28 @ 21 / 2^{\prime \prime}$ squares.

## Sewing Instructions:

Mark a diagonal line on the back of all the $21 / 2^{\prime \prime}$ squares. On 14 of the \#1 strips place a square on top and stitch along the drawn line as shown below. Fold the square along the stitching line and press, then trim away the bottom two layers leaving a $1 / 4^{\prime \prime}$ seam allowance.

Repeat with 14 of the \#4 strips.

Follow the diagrams below to make your Rail Fence Blocks, pressing seams allowances to one side:

Layout the blocks as shown here:

Sew your blocks into rows, then sew your rows together.

## Borders:

First border: Cut 5 @ 1 1/2" WOF and sew around all four sides of your quilt. Second border: Cut 5 @ 3" WOF and sew around all four sides of your quilt. Third border: Cut 6 @ 5" WOF and sew around all four sides of your quilt.

Quilt, bind, and enjoy!
