

# Scrap Strips Diamond Trip

Finished Size 50 x 64"

Designed by Donna Jordan for Jordan Fabrics

**Fabric requirements:**

Scraps cut into 2 1/2" widths. You need about the equivalent of one jelly roll

1 Yard Accent – best if there is a lot of contrast between this fabric and the scraps.

1/2 Yard binding

3 1/8 yards quilt backing

You can use any scraps to make your patchwork. Cut all into 2 ½" widths and stitch together into segments that are at least 21 x 2 ½". Make 80 segments.

Select 16 of the segments and cut each into 2 - 10" pieces for a total of 32.

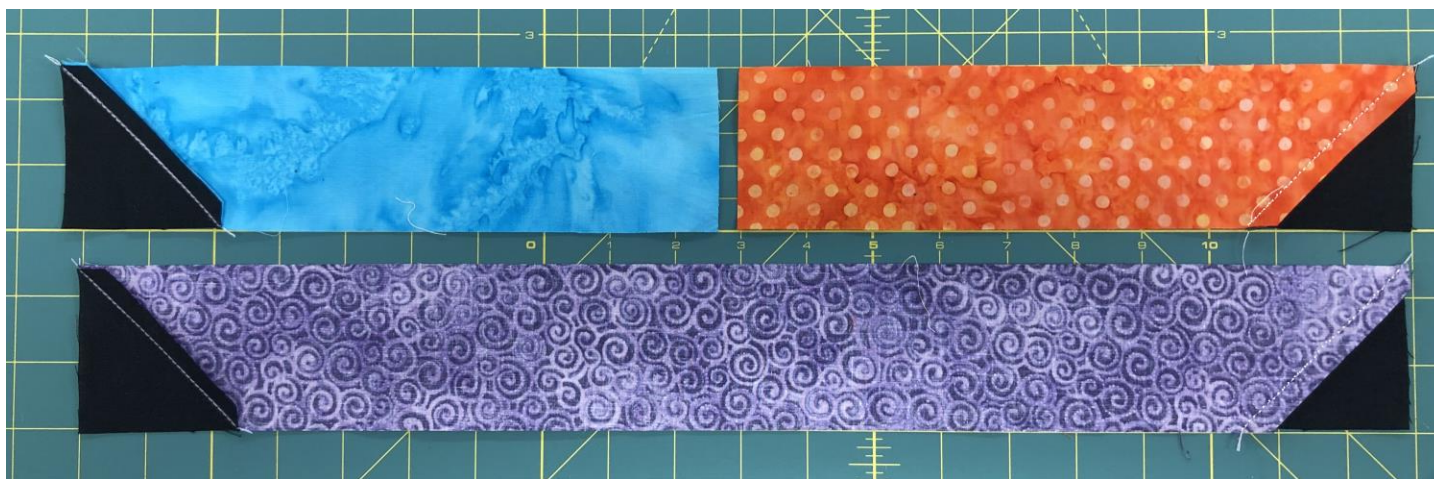

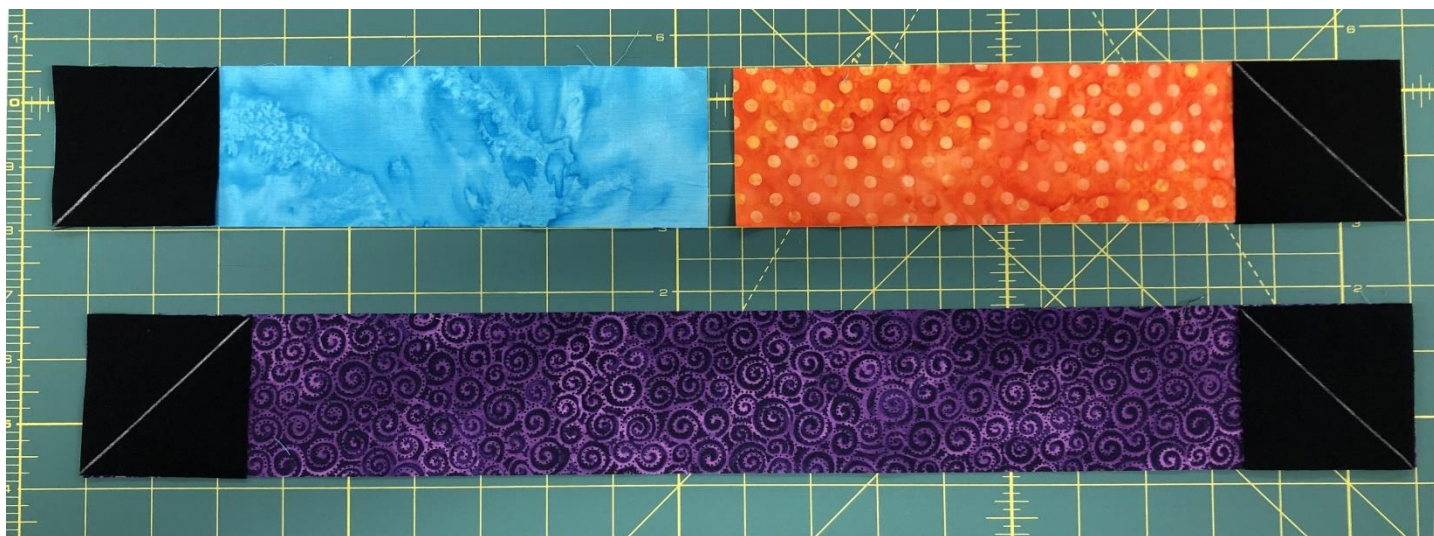

Take the remaining 64 segments and cut each to 20 x 2 ½" pieces.

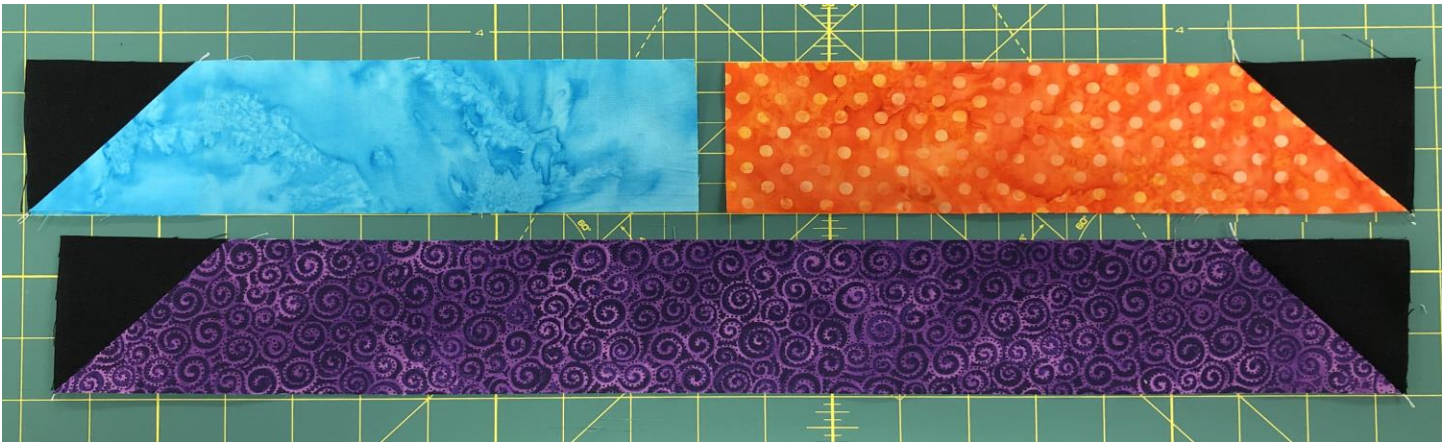

Accent: cut 10 @ 2 ½" WOF (width of fabric). Cut each strip into 16 - 2 ½" squares for a total of 160.

Draw a diagonal line from corner to corner on the reverse side of each accent square. Place an accent square onto **both** ends of the 20" strips as shown below and stitch along the drawn line. Iron all seams to the right side and trim off the excess leaving a ¼" seam allowance.

Place an accent square onto the **left** end of 16 of the 10" strips and stitch along the drawn line. Press the seams to the right and trim off the excess leaving a ¼" seam allowance.

Place an accent square onto the **right** end of the remaining 16 - 10" strips and stitch along the drawn line. Press the seams to the right and trim off the excess leaving a ¼" seam allowance.

Lay out the 20" and 10" pieces as shown in the picture of the finished quilt. Stitch into rows and stitch rows together.

Here are some larger sizes:

Take the remaining 100 segments and cut each into 20 x 2 ½" pieces.
