Quilt project measures approximately **55 ½” by 63”** upon completion

General Information

- All Seams are sewn with a ¼” seam allowance.
- WOF = Width of Fabric
- Press seams open to assist with bulk and ease in matching seams

Fabric Requirements and Cutting Instructions

- 1 pack: 2 ½” Strip Set (Jelly Roll, Bali Pop, etc.)
- ¼ yard: First border
- 2 yards: Second border
- 3 ½ yards: Backing

Special Notions: Strip Tube Ruler (made by Cozy Quilt) and a 6 ½ x 24 ½” ruler.

Assembly

Step 1.

1: Sew (8) sets of FIVE strips together to make new strips of 10 ½”.

2: Fold the FIVE strips sets in half lengthwise (right sides together with the RAW edges matching) and sew a ¼” seam allowance to create a TUBE.

Step 2.

3: TUBE 1, 2, 3, 4 – using the Strip Tube Ruler, place “7” line on the seam line about 1” from the selvage edge and cut the FIRST triangle. Set into Stack 1. Flip the tube ruler to the FOLD edge, place “7” line onto the FOLD and cut the triangle. Set into Stack 2.

4: Continue this process to cut 7 triangles per TUBE.

5: TUBE 5, 6, 7, 8 – using the Strip Tube Ruler, place the “7” line onto the FOLD and cut the FIRST triangle. FLIP the ruler and continue cutting the triangles. Remember to place the triangles onto the appropriate Stack.

6: Cut a total of (28) 7” squares for each Stack.

Step 3.

7. Randomly sew (1) of each square together as shown (Note Placement of each square when sewn together). Make (29) sets.

8. Sew (2) sets together. Make (14) New Sets.

9. Sew (2) of the new sets together. Make (7) columns.

10. Sew the (7) columns together to complete the quilt center. See the quilt picture for placement.

Step 4.

11. Cut your 1st border fabric into (6) 1 ½" strips, sew all together at the 1 ½" edge to make (1) continuous strips.

12. Sew to the top and bottom and then the sides to finish the first border.

13. Cut your 2nd border fabric into (3) 4 ½" x 44" strips (side borders), then open the balance of the fabric and fold lengthwise and cut (2) strips at 4 ½" widex 65" (top & bottom borders). Cut (4) strips at 2" for the binding. Sew the side borders then top and bottom borders to finish the quilt top.

14. Quilt as desired then add 2" strips for the binding.

Final Step: **Jump for Joy and Sing a Song for a Quilt Well Done!**

* If you do not have the Strip Tube Ruler, you can make do with a 7" square-up ruler. Turn it so that the 0 Point is on the top. Mark your ruler from the right 7" measurement to the left 7" measurement with masking tape. Use this line as your placement guide.
