## **Care & Maintenance**

## 316 Austenitic Stainless Steel

## Less Litter

### Recommended regular cleaning agents

- 1. Combination of undiluted white vinegar + baking soda paste
- 2. Unscented dish soap or castile soap
- 3. Enzymatic cleaners
- 4. Sterilization is not required

### For hard urine stains (stains from urine are not permanent)

- Bar Keepers Friend (powder, not liquid) for hard stubborn urine stains and build-ups
- 2. Make a paste with water and Bar Keepers Friend powder
- 3. Scrub in the direction of brush strokes with a damp <u>kitchen sponge</u> (elbow grease may needed)

#### For water spots & fingerprints

- Spray <u>Magic Stainless Steel Cleaner & Polish</u> directly on Less Litter box surface
- 2. Buff it with a dry microfiber cloth
