## Gameplay 1: Chattib Ma T2attib

Best for players who consider themselves real friends

- 1 Place the full deck of cards on the table face down
- 2 Every round, 1 player will draw a card and read it out loud, he is now the judge
- 3 Everyone says who in the group deserves the card and why. You do not want to be tagged with the card

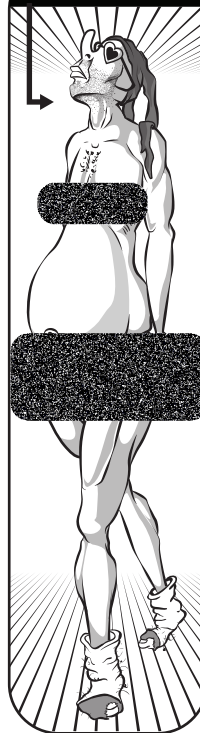

- 4 The judge then decides who gets the card. This player keeps the card and loses a point (-1)
- 5 Each round has a new judge, whoever is sitting to the left of the previous judge
- 6 The game ends when a player reaches (-7) and he is declared "The Mazloul". There are no winners
- 7 All players read their cards out loud.

## THE JUDGE

## THE BIG LOSER

## Gameplay 2: El Mazloul Mabsout

- 1 Same gameplay as "Chattib Ma T2attib" except that you WANT to get the cards
- 2 Everyone must convince the judge why they deserve the card (story, behaviors, etc.)
- 3 First person to 7 cards wins.

Best for players who don't know each other that well

## Gameplay 3: Zello Ma T2ello

- 1 Place the full deck of cards on the table face down
- 2 Each player draws 10 cards
- 3 The youngest player starts. He is now "The Mazloul"
- 4 Each player gives "The Mazloul" as many face down cards as he deserves
- 5 "The Mazloul" picks and shuffles the cards he received then reads them out loud
- 6 Each player draws as many cards as they handed out. Make sure to have 10 cards at all times
- 7 Next round begins with a new "Mazloul". Play as many rounds as there are players. The person with the most cards at the end loses. There are no winners.
