BY LIFESAVER POOL FENCE INC.

## Parts Included

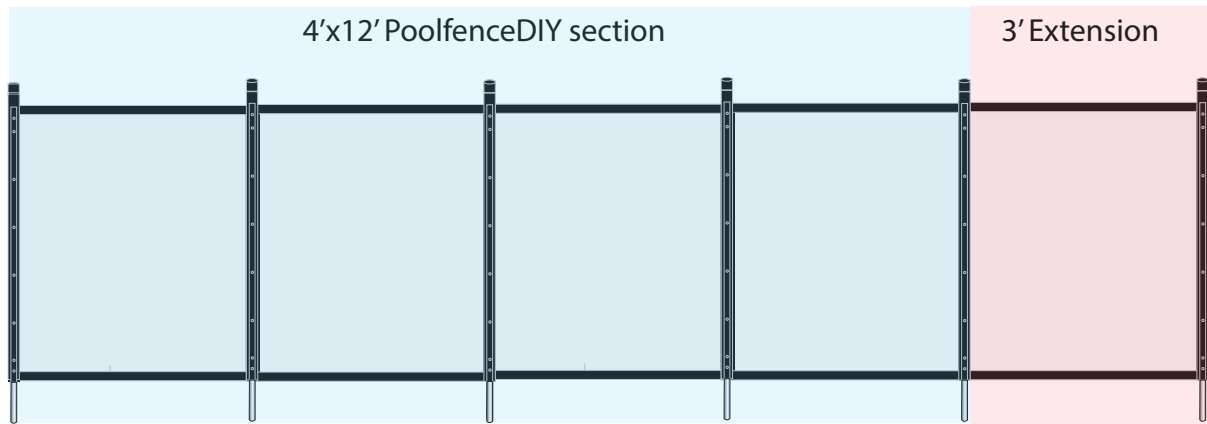

- PoolfenceDIY spare pole with moulding strip
- 3' x 4' Bordered mesh
- Screws
- Stainless Steel Hook and Eye
- Grey Sleeve
- Grey Cap

## Extension Install

To install your 3' Extension to first remove the first or last pole of a 4'x12' PoolfenceDIY fence section.

Once the pole is removed, overlap the borders of the 3' extension and the 4'x12' PoolfenceDIY section and reattach the pole using the modling strip that was removed.

*Your new 15' section can be shortend using the custom cut instructions found on page 8 fig. 21 in the PoolfenceDIY Install Guide.*

Congratualtions you've successfully installed *your 3' extension*
