

**MATERIAL OPTIONS**

**108RM MARLON ROUND TABLE**

Marlon is a table with an understated form that highlights the beautiful contrast of materials. A timber frame supports a marble tabletop set upon slender legs in timber or marble for a table that is visually light yet extremely robust. Each table is formed from numerous segments, creating intriguing design details where the parts intersect.

**SIZE**

D160 × H74 cm  
D63 × H29 1/8 "
