MATERIAL OPTIONS

768 (USA) FRAME BED WITH ARMS

The Frame series explores the architectural concept of tectonics, celebrating the art of construction. It was developed with the objective to create a single frame that could serve all the needs of the product such as a base, legs, and decorative feature. Made from solid wood, the frame's appearance reveals clearly how it is constructed through the visible joinery details.

SIZE

768AQ queen W77 3/4 \times L85 4/5 \times H29 1/8 ", fits mattress W60 \times L80 "
