

MATERIAL OPTIONS

351 (USA) HEPBURN BED

A luxurious upholstered bed with elegant simplicity and visual lightness achieved through the clever use of superb materials. Solid American black walnut or American white oak legs in a unique shape elegantly raise the slender body of the bed. Optional side tables in solid American white oak or black walnut connect intuitively to the underside of the bed.

W73 1/4 x L93 3/4 x H40 2/3 ", fits mattress
W72 x L84 "

platform height 12 1/8 "

SPECIFICATION

Available in American black walnut, American white oak, or European Ash in a range of finishes, and a range of fabric and leather options. Click on 'Materials' in the left hand menu for further information. Platform base is an advanced, black dyed wood composite with an oil and wax finish. This panel has holes for air circulation. NOTE: The platform surface is smooth, thus a small amount of mattress movement may occur, though in most cases the weight of the mattress will hold it in place. If you prefer to control the movement, you may wish to use a non-slip mattress pad. Assembly: Hepburn Bed
