

## PARC 06

Parc is a collection inspired by childhood imagination and the essentiality of homemade forms — created in collaboration with Swiss designer Adrien Rovero. Evoking the archetype of a flashlight, each lamp of the Parc Collection is a playful reminder of time spent in nature, when a simple tube and piece of string could be used to fashion any number of creations. These makeshift things, at once naive and functional, harness the unique beauty of peeling an object back to its essence.

<b>type:</b>	table
<b>construction:</b>	hand blown frosted glass powder coated aluminum body polyester cord, (vinyl cord for Australia)
<b>specifications:</b>	source: LED lamp provided (G9 base) power consumption: 3x 4,5W lumen output: 951lm colour temperature: 2700K included *3000K available upon request colour rendering index: 80 CRI standard * ≥ 90 CRI upon request expected lifetime: 25 000h
<b>control:</b>	refer to our recommended list of dimmer models
<b>cord length:</b>	<b>hand switch:</b> 96" / 244 cm provided switch positioned at 18" / 46 cm from body <b>foot switch:</b> 108" / 274 cm provided switch positioned at 60" / 152 cm from body
<b>weight:</b>	7.5lb / 3.4kg
<b>certifications:</b>	    IP20
<b>warranty:</b>	2 years
